# Asked Questions

---

### **What is required to book my wedding date?**

A signed contract and a \$150 non refundable deposit is required to reserve your wedding date. All weddings are booked on a first come, first serve basis.

### **Is there a minimum to book my wedding?**

The Bride & Her Besties Package includes the bride and up to 4 others in order to give ultimate flexibility and inclusivity.

### **What forms of payment are accepted?**

All major credit cards are accepted (3% fee), Venmo (@kristle13) , Zelle (760-518-0435), cash and check are also accepted.

### **Can bridal party members pay separately for their services?**

In order to avoid stress and confusion the morning of the wedding, I do not accept service payment from multiple parties. Regardless of the bride's internal arrangements, all final payments must be made by one designated person with the exception for any gratuity that may be given to the stylist from any individual.

### **Can I change the number of hair services after booking?**

Upon paying a deposit, the bride agrees to the amount of services that has been indicated per the signed contract. Add-ons are always welcome as long as time allows and the increase is communicated as soon as possible.

### **Is booking a bridal trial required?**

It is not required to schedule a bridal trial, however I highly recommend them in order for the bride to "try on" 1-3 desired wedding looks. I also highly suggest booking your hair trial on the same day after your makeup trial. Even better if you can schedule your dress fitting after your hair and makeup trial to see the whole vision come to life. The investment for a bridal trial is \$150.

### **What is the morning of timeline?**

Once your wedding coordinator or photographer communicates your "ready by" time, I will customize a morning of schedule to ensure everything is stress free.

### **How can the Bride & Bridal party prepare for their appointments?**

Everyone receiving hair services should arrive with clean, completely dry hair (unless a blowout has been added on for \$50). Please also arrive with a button or zip up top that can be easily removed without disturbing the hairstyle. (Think cute matching pajamas or robes!)

### **Do you have an assistant?**

If you have a large bridal party (10+ services) or are on time constraint, I can hire one of my assistants for a an additional fee of \$150. Due to high demand in our industry, assistants are subject to availability. I suggest requesting this add on as soon as possible.

### **Do you offer on-site touch up services?**

I offer on-site touch up services for \$100 per hour, This is perfect for any bride and bridal party wanting touch ups before or after the ceremony or for a bridal style second look.

### **Do you suggest extensions?**

I usually suggest that a bride get clip in extensions for the wedding day. Extensions are a great way to add more volume, length (if desired) and helps the longevity of your style. especially if you plan to wear you hair down or half up/half down. I always recommend "Hair Unlimited" in Mission Valley to purchase your extensions. They can help you find the perfect color match!
